

Heron Hill Primary School

Positive Comments

Should you wish to share positive comments about the school, our pupils or our staff, may we suggest you use one or more of the following routes:

- We are very appreciative of all parents/carers who take the time to complete the annual survey on Ofsted's 'ParentView' site. Visit <https://parentview.ofsted.gov.uk/> , find Heron Hill School and complete the brief questionnaire.
- When we carry out our own annual parent/carer questionnaire, in the 'Other comments' box please remember to write any positive thoughts you have had about the school in the previous year, as well as any constructive criticism or suggestions you may have.
- Use the 'Contact Us' page on our website www.heronhill.cumbria.sch.uk
- Write a note to the school.

We are very proud of our pupils and the opportunities provided for them at Heron Hill and we appreciate any affirmation of this.

Thank you for the support you give us.
