

Sports Premium Funding: Report for 2016/2017

At Heron Hill Primary School we continue to see the health, wellbeing and fitness of our children as of the highest importance. Our Sports Premium Funding has been used to fund the following developments in and maintenance of provision in PE, sport and health.

Through our collaboration with other Kendal Schools (Kendal Collaborative Partnership, KCP – a business set up by the thirteen Kendal Primary and two Secondary Schools to jointly work on school improvement and procurement), 12 of the 13 primary schools jointly employ a full-time “Sports Premium Coordinator”, a specialist PE practitioner, whose role is specifically to improve the outcomes for all of our children in PE, sport and health by developing PE, sport and healthy living in our school and across the group over a three year period. The main aim is the ‘up skilling’ of staff so there is a legacy of good practice beyond the three years of funding.

At the end of the school year 2016, Heron Hill School was pleased to be awarded the Silver School Sports Mark in recognition of all the activities, events and teams present in a range of local events. This year we aim to achieve Gold by adding a Sports Organising Committee to give our children a voice in their activities, events and equipment that they would like throughout the year.

Number of pupils and School Sports Premium (SSP) received	
Total number of pupils on role (not including 5 year olds)	323
Total amount of SSP money received for academic year 2016/17	£8,000
Plus additional £5.00 for each pupil	£1,615
Total amount of SSP received	£9,615

Nature of support
<ul style="list-style-type: none"> • Extended employment of a Sports Premium Coordinator to support Continuing Professional Development (CPD) and INSET across all schools in the Kendal Collaborative Partnership. • Providing a wider range of opportunities for children in Key Stage 1 and Key Stage 2 to attend sporting competitions at “participation” and “elite” level. • Developing increasingly challenging outdoor activity experiences particularly through the Year 6 residential experience in September. • Replenish and renew PE equipment in order to support high quality teaching and learning and to introduce new activities and experiences in all year groups. • Send teaching staff on coaching and sports courses in a variety of sports. • Coordinator time to support teacher assessment and intra-school competition. • Coordinator time to work towards a Gold Schools Mark.

Focus of SSP spending 2016/17
<ul style="list-style-type: none"> • To continue to develop the quality of teaching and learning across the school in a range of sports and activities, ensuring children of ALL abilities are supported and challenged appropriately, making good progress in lessons and across different units of work. • To develop an increased attention to assessment at the end of each unit. • To increase opportunities for children to compete in a range of sporting activities including intra-school competitions and inter-school competitions within the KCP group, at a district level and beyond. Also continue to participate in the intra-school virtual multi-skills competition for Year 1 and Year 2 through Laura Smith in the summer term. • To track pupil progress in PE, to ensure children are working at age related expectations and beyond and to make sure that there is differentiation within lessons. • To identify and further support pupils who are working below age-related expectations through the use of multi-skills and movement groups. • To develop lunchtime opportunities through the training of Midday Supervisors and Year 6 “Sports Leaders”. • To strive towards achieving School Sports Mark – Gold Standard. • Courses for staff Continuing Professional Development (CPD) – <ul style="list-style-type: none"> ○ 14th September 2016: Mrs Foster at ACPEN PE meeting with lacrosse (led by Mike Orme),

at Ghyllside School

- 25th January 2017: Mrs Foster at ACPEN PE meeting Ghyllside School with multi-skills and Little Kickers (led by Scott Cormack)
- 6th February: Mrs Foster, Mrs Dodd-Hemingway and Mrs Jones at curriculum PE, afternoon
- 1st March: Mrs Dodd-Hemingway at handball course, held at Dallam
- 28th March: Mrs Foster at PE meeting with orienteering, at Castle Park, all day
- 5th April: Mrs Foster and Mrs Knipe at FUNdamentals PE course, at Leisure Centre, morning
- 7th June: Mrs Foster at ACPEN PE meeting with athletics, at Heron Hill (led by John Pearce), morning
- 30th June: Mrs Foster at PE assessment meeting with Active Cumbria, at Netherwood, morning

Measuring the impact of SSP spending

- The school's self-evaluation of performance is rigorous in other subjects. Tracking of pupil progress over time in PE, to quickly identify any under-achievement, needs to be more focussed so that strategies and interventions can be developed to promote improvement.
- An annual written report for parents/carers identifies progress over the year; celebrating achievements and identifying next steps.
- The PE Subject Leaders monitor the effectiveness of the SSP provision and adapt or amend any approach accordingly.
- The Governing Body and Senior Leadership Team maintain an overview of SSP spending and its impact.
- Teachers monitor progress which, at the end of the year, is used to inform future planning and the delivery of lessons, provision and intervention. Results are passed on to the next teacher. Coordinator time to assist teachers in decisions about the standard of their children.
- Pupil participation in local, district, county and regional competition is high but takes a large amount of time to coordinate, plan and attend. More competitions have been added to our calendar to achieve an increased variety of sports and age groups in these events – this will help with future Games Mark applications.
- Participation in extra-curricular clubs is good, but can often be the same pupils throughout the year and places are limited due to the very large amount of children that could possibly attend. A larger variety of sports activities will attract different children. This year squash and cycling have been introduced and different children have been interested in these.
- More clubs available for lunchtime activities through Leisure Centre coach.
- Pupils are given a voice through the school council to comment on both the content and choice of activities offered as well as completing child and parent questionnaires.
- Sports Organising Committee has been set up this year with children from all year groups attending meetings to discuss a range of school sports topics. The older children in particular love to give their opinions and ideas, thriving on seeing their views being listened to.
- Pupils demonstrate a good understanding of the benefits of exercise and healthy lifestyles and have well-developed skills, attitudes and values when playing sport, games and movement based activities.

- Each year, we run two 6 week training courses for Year 6 children (16 each course) to become "sports/play leaders". As a result, these children now support younger children at playtimes and lunchtimes, run sporting competitions in school independently and with great positive impact on the quality of play and sport at these times.
- PE subject leaders have been trained in the new National Curriculum and have worked with the Sports Premium Coordinator to review current provision and develop planning for consistency and progression across the school. All Staff teaching to Lancashire planning. Staff meeting discussed how teachers should be showing assessment at the end of each unit. Subject leaders will check to see if this has been done in the spring term.
- Team teaching through Laura Smith is continuing for some teachers requiring training for PE as they have changed year groups and a full programme of CPD for teachers is in place.
- Small amounts of the funding have been used to purchase some equipment to enhance our PE and Health provision, including equipment for the Foundation Stage department to

increase the range of physical activities available to the youngest children, replenishing and updating existing stock. A particular favourite is the new basketball net.

- The Sports Premium money has also been used to give PE subject leaders time to work with Laura Smith, time to develop whole school planning, time to work with staff to up-skill in areas of need and time to attend inter-school events.
- In the summer term (final week) a coach will be hired through SP money to take all Year 6 children to participate in Swim Safe. This is a free event designed to give children the necessary experience around open water to ensure their safety in the summer.
- Subject Leaders to keep Sports Notice Board up to date and to keep folders of all events attended with pictures and results. Minutes of Sports Organising Committee to be kept in a file too. All with a view to achieving the Gold Sports Mark this year. To be submitted in July 2017.

Our PE subject area split is presently as follows:

	YR	Y1	Y2	Y3	Y4	Y5	Y6
Autumn	Body awareness and control Outdoor and physical development	Dance / Gymnastics Cybercoach Ball control skills – roll, throw, catch, kick, aim	Dance / Speed, Agility, Quickness (SAQ) Cybercoach Body and ball skills	Dance / Gymnastics Swimming / hockey	SAQ / Circuits Dance Cybercoach Swimming/ Netball/ Tag Rugby	Circuits / Dance Hockey/ Football	Circuits / gymnastics Young leaders Netball/ Outdoor and adventurous
Spring	Gymnastics/ Dance Outdoor and physical development	Gymnastics /Dance Unihoc and racquet skills	Gymnastics /Dance Cybercoach Invasion games – strike and field	Dance/ SAQ Swimming/ hockey	Gymnastics /Dance Swimming/ Netball/ Tag Rugby	Gymnastics /Circuits Lacrosse / Tennis	Egyptian dance/ Gymnastics Tag Rugby
Summer	Gymnastics /Ball or equipment control Outdoor and physical development	SAQ/ Multiskills Athletics – field and track	SAQ/ Gymnastics Virtual competition Athletics	Gymnastics /Cybercoach Athletics/ Kwik cricket continuous cricket	Gymnastics /Circuits Ball skills Kwik Cricket /Athletics	Gymnastics Cricket/ Athletics	Traditional dance/ Gymnastics Athletics/ Rounders

- Alongside this we run a large number of extra-curricular clubs which are well attended. These clubs include football, netball, cross country, dance, squash, cycling, hand-ball, multi-sports, tag-rugby, mini-tennis, and kwik cricket. We have also opened up lunchtime activities through a coach from the Leisure Centre.
- Before school starts, we have started the 100 mile challenge club: At 8.20 am each morning, children and their parents meet ready to run a mile on the school field – some very fit children run more than that in the time allowed! Other children are completing their 100 mile challenge out of school, they fill in their card and let teachers know how far they have got to by filling in their wall chart progress at school. Certificates are handed out at 10 miles, 25 miles, 50 miles and 100 miles by the Sports Organising Committee who keep a weekly check on where everyone is up to.
- In addition to sports clubs, we also offer chess club, gardening, knitting, choir, school band and French.
- Wherever possible we aim for these clubs to be run with a match/tournament/performance as an end goal, to give the club a focus. We also try to impart a sense of success through personal improvement in performance as well as intra-school competitions where all

children in a year group compete to win points for their school house during end of unit or term competition.

- We now have a sports event board where we can showcase all the events we have taken part in. The children are often seen looking at it for the results of their teams and for admiring how well their friends have done at an event. Parents also look at it as they walk past.
- Through our collaboration with other Kendal Schools (KCP), we have put in place an annual sporting event calendar that we access: (see over onto the next page)

South Lakes Competition Calendar 2016-2017

Date/ Month	Time	Event	Age Group	Venue	Contact
19th October 2016	TBC	South Lakes Final Sportshall Athletics (Teams from cluster events)	Year 5 & 6	Lakes Leisure Kendal (organised by Kirkbie Kendal School)	Lesley Peacock
4 th November 2016	10.00am – 12.00pm	South Lakes Final High 5 Netball (Teams from cluster events)	Year 5 & 6	Cartmel Priory School	Sally Hill
